DETAILED ACTION

1. This Office Action is in response to Amendment filed 8/3/2004, in reply to the Examiner's Office Action of 02/06/2004.

Claims 1-6 are cancelled.

Allowable Subject Matter

2. Claims 7-12 are allowed.

EXAMINER'S AMENDMENT

3. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

4. The application has been amended as follows:

In the Amendment filed 8/3/2004, on page 4, in the specification, the paragraph has been replaced with the following paragraph:

The disclosure extends upon and incorporates herein by reference patent application Ser. No., 09/803,599, filed Mar. 9, 2001, now US-PAT-NO: 6,769,080, DATE-ISSUED: July 27, 2004, "Scan circuit low power adapter with counter", and patent application Ser. No. 09/803,608, filed Mar. 9, 2001, now US-PAT-NO: 6,763,488, DATE-ISSUED: July 13, 2004, "Generator/compactor scan circuit low power adapter with counter".

REASONS FOR ALLOWANCE

5. The following is an examiner's statement of reasons for allowance:

The prior arts of record taken alone or in combination fail to teach, anticipate, suggest or render obvious the claimed invention of an integrated circuit including a cache bit memory having a data input and a data output connected in series between the scan in lead and the scan input of the first scan path segment. The cache bit memory has a scan clock input connected to the scan clock input of the first scan path segment, as recited in the independent claim 6.

Consequently, independent claim 6 is allowed over the prior arts of record. Claims 7-12 are directly depended upon claim 6 and therefore are also allowable.

6. Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
